Applying for:	Full Membership	Associate Membership

Being a part of a church family means glorifying God in everything we do. We grow in Christ together. We share the Gospel together and make disciples. We love one another as God loved us through Jesus. And that's what you're committing to in becoming a member. As a member of HLC, we want to come alongside you and support you in any way we can. We also want to challenge you to read the Bible regularly, worship together on Sundays, and participate in Bible Studies. We want to encourage you to give generously to your church home and the community, both financially and through serving. And most importantly, we want to equip you to go out and share the Gospel with your friends, family and those in your community.
